The 3 S's:

Homelessness

Shelter

Helplessness

Security

Hopelessness

Success

An aerial night photograph of a city, likely Seattle, with a large body of water (Puget Sound) in the center. The city lights are visible, and the water reflects some of the light. The image is dark, with the city lights providing the main source of illumination. There are some decorative blue diagonal lines in the top left and bottom left corners.

The 3 S's

We **can** help homeless people in
King County, Washington

Future Study

- Further Research on the relocation program in USA. (Collect the data set of the relocation program)
- Keep track of the homeless people who coming from the another city.
- Figure out why King County, Washington is the best place to live in for the homeless people
